

VOICES LIMITED LICENSE V 0.2

VOICES, the Virtual Open Innovative Collaborative Environment for Safety, is a distributed platform initially developed by the United States federal government to enable stakeholder collaboration among participating entities (State and local governments, private sector, and academic institutions) in an intellectual property-protected collaborative environment for research and interoperability testing. This License sets forth the terms and conditions under which participating entities may utilize the software provided as a part of VOICES. The VOICES software library provided is a combination of federally funded contractor developed software and federal government generated software. Certain Programs within the VOICES software library may be copyright protected but are being made available under the federal government's statutorily reserved license to such software. Any use, copying, distribution, creation of derivative works, and/or public display or public performance of such software outside of the approved purposes of this License is prohibited.

By using materials covered by this license you consent to these terms and conditions.

1. Definitions.

The "Library" refers to the VOICES object models and associated materials that are made available by the United States Department of Transportation (DOT), including federally funded third-party developed materials.

A "Program" refers to any individual copyrightable work within the Library and made available for use under this License.

An "Application" is any work developed by you that makes use of an interface provided in the Library, but which is not otherwise a part of the Library.

"Copyright" means the legally exclusive right, given to an originator of a work, to use, copy, distribute, make derivative works, and perform or display (publicly or otherwise) such work.

To "access" the Library and any Program therein, includes the rights to use, link with, or otherwise interface with DOT provided event networks in a manner sufficient to conduct research and/or test and further develop roadway transportation Applications.

2. Grant of Rights.

2.1 Participating Entity.

The United States DOT hereby grants to you an irrevocable, non-exclusive right to access and use the Library for your participation in development and execution of Pilot 2 research activities with FHWA, as defined by a relationship with the contract and task order between FHWA and Leidos, 693JJ321D000010-693JJ322F00260N. The DOT acknowledges and agrees that under such rights the Library may be accessed and used by any number of end users, and on any number of end user's computers or equipment for the term and within the restrictions set forth in this License. Such end users, computers/equipment, and/or sites must be under your direct control.

2.2 Ineligible Participants.

At the time of initiation of this Agreement nor at any time during the term of this License may you or your employer be (i) listed on any General Services Administration list of parties excluded from Federal Procurement and Non-procurement Programs; (ii) under sanction by any Department or

VOICES LIMITED LICENSE V 0.2

Agency of the United States federal government; or (iii) under a corporate integrity agreement with any Department or Agency of the United States federal government.

3. Limitations on Use.

You acknowledge that your access to the Library is not a transfer of ownership or control of the underlying software in the Library. Individual Programs within the Library may be copyright protected. No portion of the source or object code of such Programs may be copied, reproduced, altered, modified, or distributed to the public in any manner or medium, in whole or in part, without prior written consent of the copyright holder.

You acknowledge that your access to and use of the Library is limited solely to the research of or testing and development of applications with a surface transportation focus. The initial use case for VOICES is limited to roadway transportation applications and you hereby agree to limit your efforts to such research, testing, and development. At its sole discretion, DOT may release or approve additional use cases at any time of its choosing.

4. Term and Termination.

The Initial Term of this Agreement shall begin when you access the Library and shall end when you cease to participate in Pilot 2 research activities with FHWA, or two (2) years thereafter unless earlier terminated in accordance with this License.

4.1 Termination for Breach.

The DOT may terminate your License in the event you violate the terms and conditions of this License.

5. Warranties.

EXCEPT AS SPECIFICALLY STATED IN THIS AGREEMENT, DOT IS PROVIDING ACCESS TO THE LIBRARY AND THE SOFTWARE INCLUDED THEREIN "AS IS" AND THERE ARE NO WARRANTIES, COVENANTS, TERMS, CONDITIONS OR REPRESENTATIONS, EXPRESS OR IMPLIED, OR OTHERWISE GRANTED FOR THE SOFTWARE, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WHICH ARE HEREBY DISCLAIMED AND YOU HEREBY ACCEPT THE DOT'S DISCLAIMER OF ALL OTHER COVENANTS, REPRESENTATIONS, PROMISES AND WARRANTIES WITH RESPECT TO YOUR ACCESS TO THE INCLUDED SOFTWARE, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

6. Liability.

Your use of the Library is solely at your own risk. You assume sole responsibility for accessing and use of the Library, and any consequences arising therefrom. You agree that DOT, their employees, contractors, interns, directors, and officers are not legally responsible for any claims, damages, obligations, losses, liabilities, costs or debts, and expenses (including but not limited to attorney's fees) arising from your use or attempted use of the Library including all physical, electronic, fiscal, or other consequences. This release from all liability associated with your use or attempted use of the Library will survive indefinitely beyond the termination of this License.

The DOT assumes no liability or responsibility for technical problems, or technical malfunctions arising in connection with your use of the Library, including: hardware or software errors, including, but not limited to, incompatibility with third party software or hardware; faulty computer, telephone, cable,

satellite, network, electronic, wireless or Internet connectivity, or other online communication problems; errors or limitations of any Internet service providers, servers, hosts or providers; garbled, jumbled or faulty data transmissions, including, but not limited to, the loss of data or data being rendered inaccurate; failure of any email transmissions to be sent or received; lost, late, delayed or intercepted email transmissions; inaccessibility of the Library in whole or in part for any reason; traffic congestion on the Internet; unauthorized human or non-human intervention in the availability or operation of the Library, including without limitation, unauthorized tampering, hacking, theft, virus, bugs, worms; or destruction of any aspect of the Library, or loss, miscount, misdirection, inaccessibility or unavailability of an email account used in connection with your use of the Library.

You agree to release the DOT from any and all claims arising from or relating to an inability to access the Library due to any Act of God, including weather, fire, earthquake, or strike, government shutdown, pandemic, acts of war or terrorism, or any other reason.

7. RELATIONSHIP OF PARTIES

Nothing in this License shall be interpreted to mean that you are a partner, agent, or a legal representative of the DOT for any purpose whatsoever, nor does it grant you any authority to assume or create any obligation on behalf of or in the name of the DOT.
